Register online at [XX Series March Program](#)

Come join in the fun and be inspired as we are honored to have **Teresa Allison** to share some of her experiences

Teresa Allison is Vice President of Strategic Relations for the Information System Security Association (ISSA) DC Chapter. She has worked in the field of information technology consulting for over 18 years. She provides clients with solutions for managing multi-billion dollar IT programs. She specializes in strategic planning, budgeting, performance management, portfolio management, governance, risk management, legal & regulatory compliance, project management, program management, process improvement, business operations transformation, strategic communications and stakeholder management. Currently, she is a Senior Policy & Compliance Specialist at Booz Allen Hamilton where she assists a client in managing enterprise cybersecurity for 55 information technology systems.

Teresa received her bachelor's degree in Political Science from Xavier University. She graduated from Carnegie Mellon University's H. John Heinz III School of Public Policy with a Master of Science in Public Policy and Management with a concentration in Management of Information Systems. She is certified IT professional who currently holds the PMP, CGEIT, CSM, ITIL, Security+, CISA, CISSP, and Lean Six Sigma certifications.
